

Google Classroom:

All students will be using Google Classroom for online learning until we return to school via Hybrid learning.

Listed below are the current Google Classroom codes that students must add in Google Classroom:

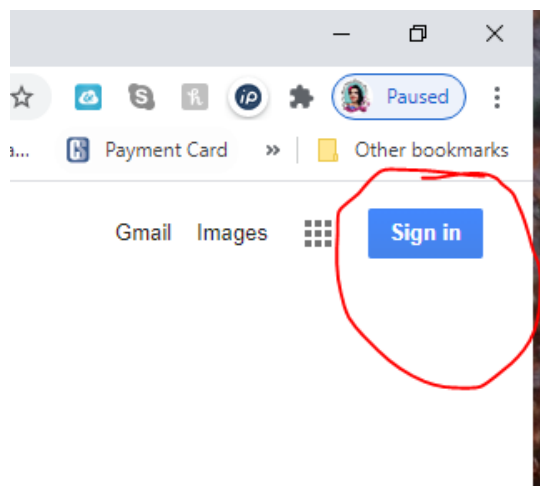

Google Classroom Codes: Not included (Advisories; E2020; CNM). Contact advisory teachers for Advisory codes if needed.

Each student has been given a Google account to log into Google Mail, Classroom, Docs, Groups, etc.

How to Log In to Google Classroom:

Go to the Google Chrome Browser and click on the Person symbol on the top right-hand corner of the browser screen or the "Sign In" button :

You will then have to sign into your NASNM Student Google Account:

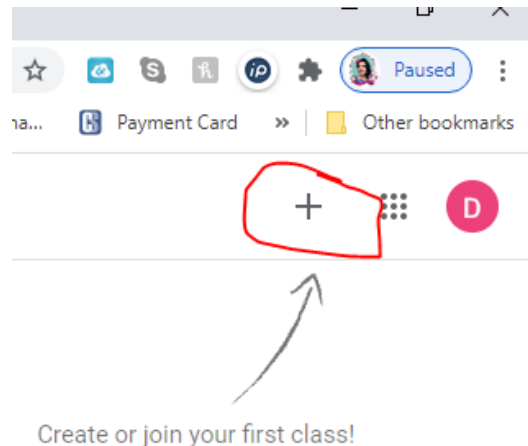

Input your password on the following screen and then follow the prompts it gives you, accepting the terms and conditions. Click on “Link Data” when asked.

You will then see your initial at the top right hand corner next to the “waffle” symbol. Click on the waffle symbol and then click on Google Classroom:

You will then need to add your classes. Add them on the top right hand corner on the screen and click on the plus sign:

You will then be asked to input a code. The chart at the top of page one has all the Google Classroom codes you need to add your classes. For example, if you have Eng. 9, then the code is her5fn2:

Class code
Ask your teacher for the class code, then enter it here.

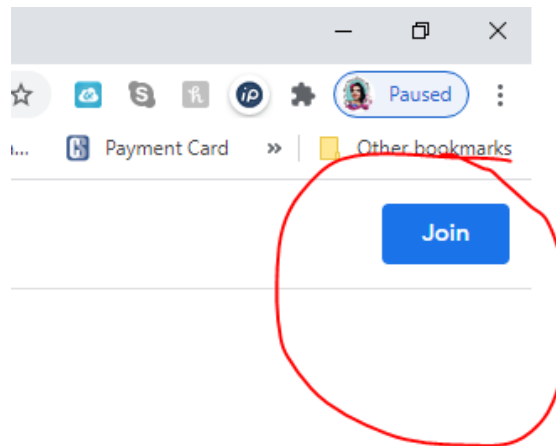

Class code

To sign in with a class code

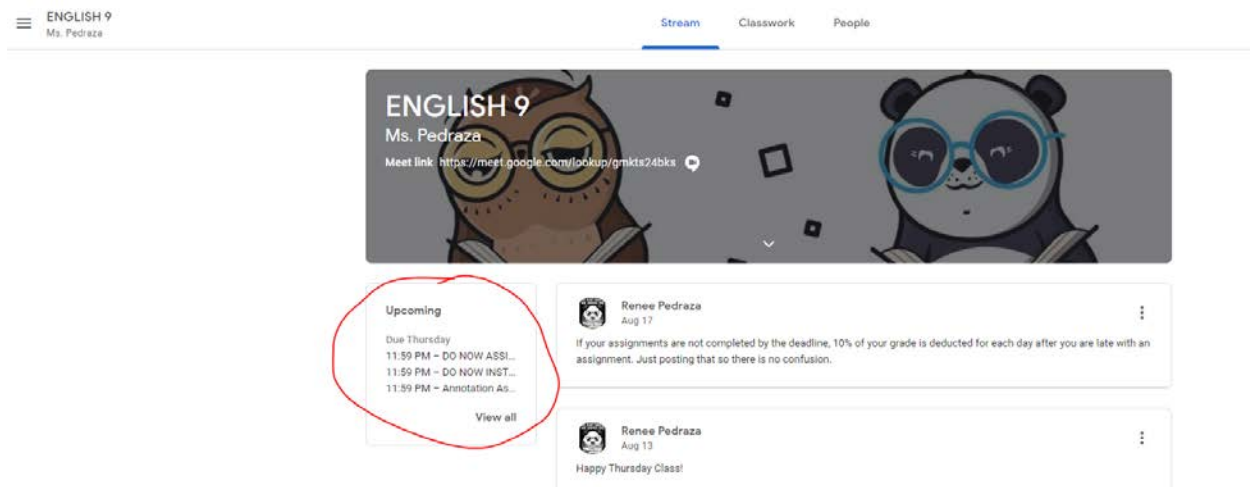

- Use an authorized account
- Use a class code with 5-7 letters or numbers, and no spaces or symbols

If you have trouble joining the class, go to the [Help Center article](#)

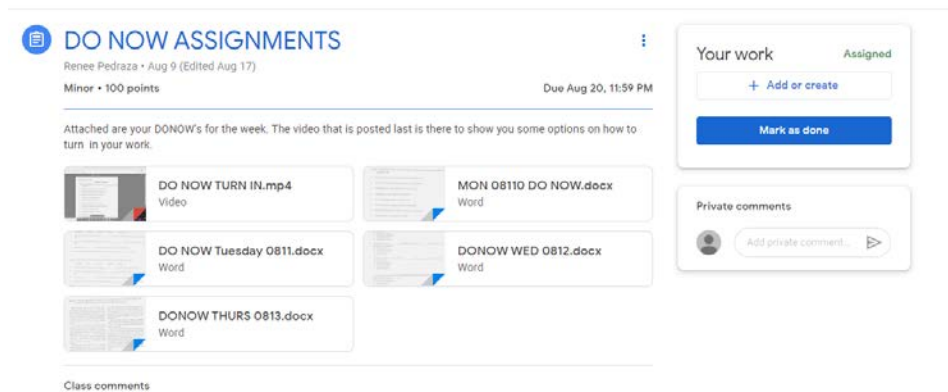

Enter the code in and click “Join” on the top right hand corner:

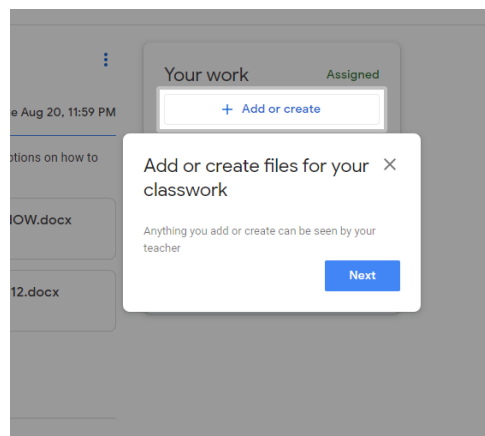

You will then see the Dashboard of the class. Your assignments are under “Upcoming” schedule:

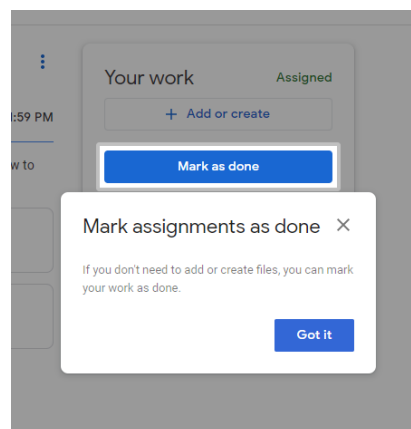

If you click on this, you will see all the assignments that are due that week. Click on an assignment to get started and submit your work.

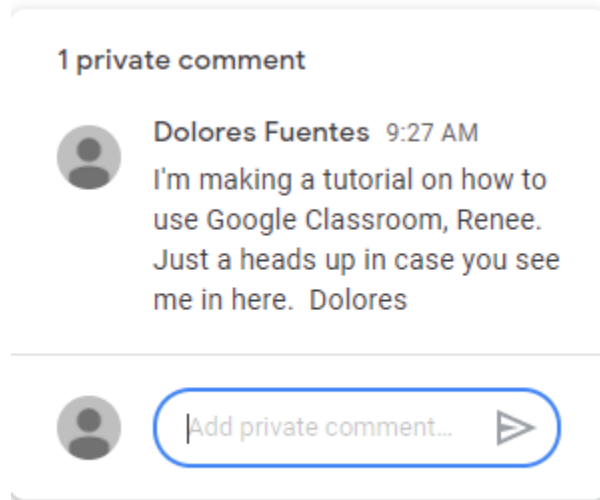

It will tell you that you can make files for your work so that the teacher can see it:

It will also show you how to Mark Your Assignments as Done:

You can also send the teacher a “Private Comment” about the work in case you have any questions or concerns. This will notify the teacher so they can respond to you:

Assignments all have due dates and times that you have to submit your work by. If you have any questions, contact your Advisor. Happy learning!
